**Guest Speaker**

We are honored to have members of the Toledo Fire Department attend our November meeting. The topic of discussion is holiday safety! Be sure to attend this informative session to learn how we can safely enjoy the holiday season with family and friends.

**Veterans' Day**

The date of 11/11 is so simple to remember, but it is too often forgotten. United States Military Veteran's Day is a permanently fixed holiday celebrated every November 11th since 1938, after beginning as Armistice Day after WWI in 1919, in honor of those who have served our country in the bravest of ways. If you remember one thing, remember what they were willing to sacrifice for you.

**Christmas Family**

We are once again honored to help a family in need this holiday season.

Our family consists of:

- A boy in junior high: who likes football, wears size 12-14 shirts, size 14 pants, and 7-1/2 shoes
- A girl in 5-6 grade who likes Barbie dolls & houses, wears a size 16 in shirts and pants, and wears a 9-1/2 in shoes
- A boy 2-3 grade who likes helicopters, wears size 7/8 shirts, size 10 pants & size 3 shoes
- A boy just about in kindergarten who likes Paw Patrols and Super Mario, wears a 5T in shirts and pants, size 9 shoes

We do not accept gifts of money but gift cards are a great idea if you cannot decide what to purchase.

Please bring donations to the November and December meetings. If you would like to drop off at another time other than these meetings call 419-304-8014.

**Thanksgiving**

November 1621 held our nation's first Thanksgiving. It was a celebration between those Native to America, and those who would become fellow Americans. While we probably aren't celebrating an Autumn Harvest around here this November 22nd, remember to give thanks for the food we do receive, and the love of those around us that we share on this special time to appreciate all that is good, through the times that can seem unbearable.

### Survey says!

We would like to thank everyone who took the time to participate in the Burroughs Neighborhood survey. Your responses have helped us and we'd like to share the results with you:

- 30% of participants had never been to a BNO meeting, this was particularly important to us because they'd never had an opportunity to express their opinions on what is most important to them in the neighborhood.
- 40% of participants also thought there was a cost associated with being involved in the BNO. This is not the case! So please, come on down to our meetings, the first Monday of the month at 7pm! Our contract with Signal 88 has ended and the dues for membership are \$10 a year, but it is not mandatory for attendance at the general neighborhood meeting. We'd rather have you participating than worried about money!
- The average length of time participants had lived in the neighborhood is 35 years, and over half of the responses indicated having a safe neighborhood that they could walk around at night without worry was the biggest priority. But don't worry! We believe all the stated choices are important to our neighborhood and we will continue working on all of them.

Again, thank you for taking the survey, and if you're one of our neighbors who hasn't been to a BNO meeting, please stop by! It takes all of us working together for our neighborhood to be a great place to live!

### President's Pen -Thanksgiving

Just a quick note about Thanksgiving - I love this holiday! No presents, no pressure, no racial or religious bias, only family and friends. Plus, for me, it is a springboard for Christmas. Everyone celebrates Thanksgiving! Take a minute to check in on your senior neighbors who may be alone. You may learn something about them, the neighborhood and yourself!
