Goal Setting Meeting!

Bring:

* Ideas for 2018 Goals

* Money for 50/50 Raffle

* As soon as able: 2018 Annual Dues

Goal Setting – Let's Work Together!

At our January meeting, we will once again be setting our yearly goals. Through 2017 we were able to successfully accomplish housing, environmental, and beautification goals, by securing the efforts of the land bank, and winning a going-green grant for \$1,000 to beautify the Airport Highway Corridor and promote sustainability.

This year we invite you to come share your ideas for the direction of our neighborhood. We will be brainstorming together and focusing on a list of the most pressing topics concerning our community. If you have an idea, come and share, because with a new year, there's no better time to join.

Inclement Weather

As we move into these next few months, you should be aware of the winter weather policy. If Toledo Public Schools have closed on the day of our meeting, our meeting will also be canceled.

Be sure to cover up so that your skin is not exposed to the frigid cold. Little ones really need help with this! Also, be kind to pets and neighbors.

December 2017 Recap – A Great Party!

What a great time was had by all! We enjoyed good conversation; a great selection of delicious food!

We also collected lots of nice gifts as well as gift cards for the Christmas family that we are sponsoring this year.

We hope that you and your family had very Merry Christmas and a blessed holiday season and that you will find the time to join us next year for our annual BNO Christmas party, which is always held the first Monday in December.

RISE: Burroughs Neighborhood Homes for Renovation Lucas County Land Bank Renovation Project

Lucas County has released a list of homes that are available for purchase and renovation.

Here are the conditions:

- All properties are sold AS IS and WHERE IS
- The Land Bank may accept multiple offers on any listed property
- All Land Bank sales are subject to their Policies and Procedures
- No negotiations will occur until all the documents are returned and the applicant is qualified as an end-user
- Inspections of any property should be coordinated with the Land Bank's realtor
- Most Land Bank properties have significant renovation needs. Purchaser will generally be required to invest substantial resources into the home in order to make it safe and habitable once again.

Christmas Family 2017

A big shout out to the people of the BNO and Kahler Pharmacy for their generous donations! You made a difference in the lives of this family.

Community Yard Sale

Wait! Don’t pitch it just yet. Remember to keep anything you might be able to sell in our community yard sale, now permanently scheduled for the second weekend in June, this year the 8th through the 10th. We look forward to providing each other with a fun weekend of leisurely shopping around!

President’s Pen

It has been an honor to serve you once again in 2017. I am truly humbled that you have entrusted me to continue this role in 2018. It is still my belief that each one of us can make a difference in this neighborhood. Remember, it only takes the care of one person. That care is very infectious! One turns into two and as we make changes on our street; that street grows into our block; our block becomes our neighborhood; our neighborhood affects our City! That one person is YOU. That one person is I. I look forward to standing beside you this year to make positive changes!

Also, I personally want to thank everyone, especially our officers, for all the hard work that was done to improve and keep our neighborhood strong. When I sit back and think about all the things accomplished, donated, and time volunteered, my faith in humankind grows and my heart aches with pride and happiness. Thank you, thank you, thank YOU!
