Goal Setting

BNO Meetings 3rd Monday of the Month March - May

2020 Annual Dues - \$10,

Ideas for Neighborhood,

\$30 for Veterans Memorial Brick

Goal Setting

At the start of each new year, we take the month of January to assess how the previous year went, and see what adjustments we can make.

Ideas are presented at the start of the meeting, and the discussion flows from there. All are welcome to present ideas and possibilities. This year, we will attempt to focus our energy more specifically than last.

Last year, our Goals were safety, beautification, community awareness, and health & wellness. Since they were so broad, it was hard to keep track, although we kept them fresh every month and discussed how we were meeting them.

This year, with the Triangle improvements coming in the Spring, it is likely that the Triangle will be our main focus.

We are also working with ReInvest Toledo and other neighborhood groups to present a united front against the city-wide problem of blight.

BNO Officers

Instead of giving up, we have acknowledged the realities of life, that our members have gotten a bit busier these days, and have structured a continuation of the organization without the normal “officers.”

Treasurer – Buffy, our 2019 Treasurer, has recommitted to the position and has been re-elected.

President – Robert Worthington, 2019 President, will be continuing as President on an interim basis. The position is open for election throughout the year for any interested resident Member in good standing.

Vice-President & Secretary – Sarah, 2019 Secretary, will be continuing on an interim basis combining the positions, and the positions will also be open for election throughout the year for qualified Members.

U.S. MILITARY SERVICE MEMORIAL

If you haven't heard yet, we will have a U.S. military service memorial at the Triangle at South and Airport. If you would like to purchase a memorial brick for yourself or someone you care about, please let us know. They are \$30 (cost of engraving).

BNO Random Acts of Kindness

New Year, New Opportunities to be Kind!

A whole year has come and gone. Were you apart of the Random Acts of Kindness Campaign? Can you honestly say you were a kind person last year?

Here is your chance to start fresh. You can either keep a year of kindness going, or you can make your own adjustments to be a kinder person. You know what they say: “You get what you give.” Religion and spiritualism also speak of the Golden Rule – treating others how you would like to be treated; karma; and the return of what you put out into the universe.

Calling on all neighbors – if you see someone committing a Random Act of Kindness this year, let us know and we will feature your story here!

December Recap: Celebration

Our neighbors came out to celebrate together one last time before the end of 2019. We had great snacks, both healthy and filling. We also played holiday themed music and had both lively and necessary discussions about our own lives and the state of our city.
