**Burroughs School PTO
Trick or Trunk
Thursday, October 29th - 6:30pm-7:30pm**

On Thursday, October 29th, the Burroughs PTO will be hosting their second annual Trunk or Trunk from 6:30pm -7:30pm. This is a safe environment for our Burroughs students and their siblings to trick or treat.

The Burroughs Elementary parking lot circle will be filled with friends and families of Burroughs who have decorated their trunks and love to pass out candy to our students. The PTO would love for neighborhood families and business to volunteer one hour, their decorated trunk and some yummy candy for this great event!

If you are interested in decorating your trunk and passing out candy, please contact us at burroughspto@yahoo.com or call 419-381-0545.

The Viking Football players will be selling hotdogs and the PTO will be selling juice, hot cocoa, and donuts.

Community Yard Sale Was A Success

The community yard sale was a success. Our Yard Sale Committee visited many of the sales and we were told that there was a steady flow of traffic and they would like to do it again next year. This was the first year for the Flea Market and many of the sellers were happy with the results. This is a great way to have the community working together in their own separate ways. Toledo Police patrolled the area as an added safety measure. Thank you everyone for participating and we hope your sales were successful.

**This is a great way to
meet our candidates for Mayor.

HALLOWEEN SAFETY TIPS FROM SAFEKIDS.ORG

Walk Safely

Cross the street at corners, using traffic signals and crosswalks. Look left, right and left again when crossing and keep looking as you cross. Put electronic devices down and keep heads up and walk, don't run, across the street. Teach children to make eye contact with drivers before crossing in front of them. Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings. Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.

Trick or Treat With an Adult

Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.

Keep Costumes Both Creative and Safe

Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors. Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision. Have kids carry glow sticks or flashlights to help them see and be seen by drivers. When selecting a costume, make sure it is the right size to prevent trips and falls.

Drive Extra Safely on Halloween

Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways. Take extra time to look for kids at intersections, on medians and on curbs. Enter and exit driveways and alleys slowly and carefully. Eliminate any distractions inside your car so you can concentrate on the road and your surroundings. Drive slowly, anticipate heavy pedestrian traffic and turn your headlights on earlier in the day to spot children from greater distances.
