Feel Free to Bring:

- * Money for 50/50 Raffle
- * 2019 Annual Dues - \$10 per Household
- * Ideas for our Neighborhood

March Topic: Neighborhood Diversity

The BNO is a culturally mixed neighborhood in a culturally mixed city. We are interested in expanding our knowledge of diversity of how other cultures operate in the neighborhood setting. Several diverse groups have been invited to spread a more focused base of knowledge at our March meeting. As always, all are invited.

CALLING ALL VOLUNTEERS!!

-We need YOU for the TRIANGLE GARDEN!

Plans are underway to begin the cleaning process, then re-planting and beautifying of the Triangle. We would like to have enough volunteers so we can rotate people to assist on a weekly basis. We want the Triangle Garden area to become a symbol of beauty and neighborhood pride, encouraging others to find joy in starting their own gardens. We have found some resources to help us, but we still need people-YOU! *Please come to the next BNO meeting and discuss this wonderful opportunity to make a visible difference in our community. Know someone? Email!*

February Recap – School Outreach

Throughout February, members of the BNO visited Burroughs Elementary and Toledo Early College High School to speak with students about what it means to be a neighborhood organization, and how we can all grow into the most productive members of society we can be. Both middle & high schoolers were receptive and attentive, sharing stories of their own aspirations and their own random acts of kindness.

Volleyball after March: Due to so many school days off throwing a wrench in the school calendar, we will be working on another Volleyball Night a bit later!

Coming in April: Global Youth Service Day: April 13

Coming in June: Community Yard Sale: June 7, 8, 9

BNO Random Acts of Kindness

Real Neighbors Sharing Real Experiences

(1) “A group of 4 of us were trying the new Glendale Garden Café location. After enjoying our lunch, our waitress informed us our bills had been covered by an anonymous donor. Pay it Forward! - we left large tips.”

(2) “The roads were somewhat clear, but there was still snow piled up at the curbs. I saw a young man pushing a car at the corner of Champion and South and stopped to help. Apparently the car had gone over the curb and gotten stuck. Another person stopped to help, so with 3 pushing, we got the car off the curb and away from the intersection.”

(3) “They were really nice at Chick-fil-a and gave us a free cookie; then we were nice at Chipotle and they gave us free drinks!”

Neighbors, keep up the great detective work and be on the lookout for ACTS of KINDESS; telling your stories of Kindness received or witnessed!!! Thank you!!!
