Fire Safety and Prevention

Have you ever wondered if you should leave something on or plugged in, or if that would start a fire when you leave? We will be highlighting fire safety and prevention tips that could save your property, your home, and your life. (We will now be streaming all of our General Meetings on our Facebook Live, and have the recorded video on our website, ToledoBNO.com in case you are unable to attend in person).

School Supplies Drive

Every year around the start of the school year we try to have a school supplies drive to help out our local students and teachers. Feel free to take this opportunity to donate whatever you can to help at Burroughs Elementary School, and conveniently, our meeting will be at the school, so feel free to stop and drop off, even if you cannot stay!

TAKE IT OFF, TOLEDO!

Our city-wide, year-long weight loss began May 1st, if you are at all interested! Details and Sign-Up are now open at TakeItOffToledo.com. Way to go, Toledo!

In the BNO, we are keeping with one of our Goals to promote Health and Wellness. We want to encourage you to get active. Studies and doctors say that moving, even a little bit, here and there, a few minutes a day, most every day, can really help you lead a healthier, happier life, with less stress, less fatigue, less soreness, and more vitality!

Grab a friend or take a young relative out and about to the Zoo or a park. There are so many ways we can get active, and with summer cooling off into fall, now's the time!

BNO Random Acts of Kindness

**Nearing an End to Summer with
Random Acts of Kindness!**

What act of Kindness have you experienced?

As you contemplate this question, reflect on your summer, and do not take anything for granted. Any positive deed that crossed your path may have been a part of KINDNESS offered. When we hear stories from our Neighborhood, we like to share!

1) “Our neighbors know how busy we are at the moment, so they mowed our front lawn for us several times this year while they were mowing theirs, so we could enjoy a nice yard a bit of rest between all the running!”

2) “In school, one girl was behind on her reading, so a classmate volunteered to take her turn and let her go next class. It really helped the busy student!”

Remember to keep your eyes open for Kindness!
