Keep Toledo Lucas County Beautiful

Feel Free to Bring:

- * Money for 50/50 Raffle
- * 2019 Annual Dues - \$10 per Household
- * Ideas for our Neighborhood

Topic: Keep Toledo Lucas County Beautiful

Speaker: Executive Director - Adam Cassi

KTLCB is the group that helps us make sure Global Youth Service Day is a success each year, and the group that helped us handle a grant to plant flowers all over the neighborhood. They help us again with a presentation for our members and neighbors to help us know how to do our part in keeping Toledo and Lucas County beautiful!

The Triangle – We Got the Grant!

If you haven't heard, the BNO applied for a grant to spruce up The Triangle at the intersection of South Avenue and Airport Highway, where we have been working on the garden, weeds, and litter for years. We were awarded \$13,000 by Toledo City Council. There are still steps to take, and there is still work to be done, but this is a great reflection of the efforts of all who put in service to our community. We thank Council President Matt Cherry for helping push this through.

TAKE IT OFF, TOLEDO

Our city-wide weight loss begins May 1st if interested!

GLOBAL YOUTH SERVICE DAY - RECAP

Special Thanks to the members of Toledo Early College, and the residents of the Burroughs, Arlington, and Highland Heights neighborhoods who all made our continuing partnership in the cause of Global Youth Service Day a success for the seventh year in a row. Thanks again to KTLCB for providing gloves, trash bags, and litter tongs. Burroughs Park and Highland Park are much cleaner due to your efforts!

April Recap – Burroughs Park

Our grant proposal for Burroughs Park was secondary to The Triangle. We went for both but understood the reality that there may be less support for this project. Development is still more or less on hold, but there are a few avenues which we have to explore. If you are VERY interested in Burroughs Park, please email us.

Coming in June: Community Yard Sale: June 7, 8, 9

BNO Random Acts of Kindness

We've got more student stories! From Global Youth Service Day (Burroughs and TEC): 1. Someone tied my shoe; 2. Someone was in a rush and dropped their phone, my little brother ran it to them; 3. In 5th grade there was a new girl no one talked to. I invited her to sit with me. Now she is my best friend; 4. I didn't have enough money, they gave me \$20 at a nail salon; 5. I was behind a man at Kroger who covered a woman who was short \$3 so her kids could eat that night; 6. When I got in trouble, someone took the blame for me; 7. A stranger helped me clean a park in 5th grade; 8. A man gave me \$50 to pay for Christmas gifts.

Let's spread the Kindness and change our community one neighbor, and one story at a time. Let us know about any Random Acts of Kindness you experience.
