August Community Meeting

Welcome Back! We missed seeing everyone in July but now we are back at it! And what a better way to get together than an indoor community picnic. That's right – we don't have to worry about the rain!

We are returning from our summer break with a Potluck Picnic, in place of a guest speaker.

The potluck will be free and open to all Burroughs Neighborhood residents, service organization members, and business owners in appreciation of all that you contribute to the life and beauty of our neighborhood.

The potluck will be held at the Commodore Perry VFW Hall on Monday, August 6th, from 7-8:30pm. Please bring dish or a dessert to share. Drinks are available for purchase, including alcohol, or you may bring your own non-alcoholic beverages. Some free drinks will be available - first come, first served.

We would love for you to join us for a bite to eat, and feel free to be social, chat, or let us know any issues on your mind - whether good or in need of action.

BNO Campaign

Regarding Random Act of Kindness - Received

When celebrating and promoting kindness, we at BNO generally do not like to draw attention to our specific kind deeds given, preferring to remain humble, but rather encourage others to spread kindness. *Instead, let us share a brief collection of stories from our neighbors, who have been on the receiving end of kindness:*

-One neighbor told us about the neighbor who “all winter long he helps everyone else, had access to a snow blower but...in his 70's shovels snow by hand”

-Another neighbor stated how his “neighbor started my lawn mower”

-“at Home Depot a lady helped me load the heavy dirt in my car”.

-Our local Commodore Perry VFW does many random acts of *Kindness*, including reaching out to other veterans - touching stories shared.

Tell us your story of KINDNESS extended to YOU, and pay it forward – email us: bno.group@yahoo.com

Beautiful Yard – Let Us Know!

Only one more month left of voting!

Do you have a neighbor who should be nominated for their beautiful landscaping or improved exterior? Just email their address to bno.group@yahoo.com. At our September meeting we will announce the winner! Deadline for entries is August 31st

We need you!

A community is only as good as the people who live there. A community that is involved, knows their neighbors, and takes pride in their community builds a strong and desirable place to live. If you've picked up this newsletter, but have never been to a meeting, now is the time! We're coming back from summer break, kids are getting ready to go back to school, and now is a great time to get involved in your community. It doesn't take much time, but you'll get to do something many people don't do anymore. Meet your neighbors face to face! Please consider coming to our next meeting August 6th, time and location noted on the front at the box on the top left. We'd also appreciate you taking a short survey to tell

us a little bit more about yourself and what's important to you in our neighborhood. To take the survey, scan this picture with your smartphone's camera (iPhone's updated to version 11, and new android phones only). You can also download a QR scanner from the App store. Type QR into the search bar. Many free ones out there. Quick scan is a good one for the iPhone and QR Droid for

Android phones. Or you can type this link into your web browser.

Thanks for your help and we look forward to seeing you Monday!
