

Abigail Sadowy Bio:

I am currently a stay-at-home caretaker for my husband and seven kids, but my occupational history includes being a former police officer, inventory and security manager, small business owner, as well as an employee of the Toledo Public School District.

I am a proud lifelong resident of Toledo born and raised in District 2.

I attended Beverly Elementary then Byrnedale Junior High, and graduated from Bowsler High School in 1991. While attending Heidelberg College, I began my career in law enforcement, later graduating from Toledo Criminal Justice Training and Education Police Academy here in Toledo at age 21 where I was accepted onto the police force in Edon, Ohio.
