BURROUGHS BUSINESS SPOTLIGHT

****Toledo Heights Public Library****

Founded in 1935 - 423 Shasta Dr. – 419-259-5220

Reason and Purpose: Getting a library in the Toledo Heights area was truly a team effort. Library service started in 1924 after the Toledo Heights Citizen League and the Wayne School Parent/Teacher Association sponsored a movement to get a branch library located in the Toledo Heights community. It began in a store building on Wayne Street owned by the Board of Education. The community group worked with the Commissions of Parks and Boulevards to get land in Highland Park, and the current library was built in 1935 at its location.

Message to Neighbors: Welcome to one and all. We'd like to get to know you and become your favorite meet-up and learning place. We look forward to helping you with homework, finding the perfect book or magazine, guiding you to the best information for starting a new business, free faxing and scanning, and so much more. You can even complete your voter registration or get a dog license. Come discover what's waiting for you.

May Recap – Recycling Tips from KT/LCB

Keep Toledo/Lucas County Beautiful Executive Director, Adam Cassi, joined us to go over the finer details of proper recycling. Improper recycling costs us big, so this was a big help. We took notes, which are available in our General Meeting Minutes on the History page of our website, ToledoBNO.com.

BNO Random Acts of Kindness

We've got more student stories! We are TPS Proud to enter summer with some stories of kindness from the students of Burroughs Elementary, received at our SECOND Burroughs Neighborhood Volleyball Night on March 28, 2019:

1. "Paid for someone's food when they couldn't afford it;" 2. "Person in front of me paid for my coffee so I paid for the person behind me;" 3. "Someone helped me" (We'll take it!); 4. Three different students all said "I stood up for my friend" (Bully Free Zone!) 5. "Me and my Mom picked up the trash around our apartment so the maintenance man doesn't have to;" 6. "I walked a lost Kindergartener to class;" 7. "I helped my friend when she needed help;" 8. "I helped someone when they were down, I kept them up."

So simple; so inspiring. Students are great teachers!

Let's spread the Kindness and change our community one neighbor, and one story at a time. Let us know about any Random Acts of Kindness you experience!

President's Pen: Congratulations, Graduates!

It was a privilege to attend the graduation ceremonies of a few Toledo Early College students who have helped the BNO over the years - in Global Youth Service Day, and even recently in Volleyball. Congratulations to the entire class of 2019, and personally to those of Bowsher and Toledo Early College. Your journeys are just beginning. Be brave. Remember all that you have made it through, and always be mindful of the potential of each of you to make a difference in this world.

We hope you all enjoy your Summer!
