**Goal Setting for the New Year!**

Our goals for 2019 will be set at our January meeting. Last year, we decided on four main goals: safety; beautification; community awareness; and health & wellness. As an organization, we hammered home the first three goals, and found the fourth to be challenging, as many do, with differing schedules. This year we will begin with our goals from 2018, to do an even better job with them in 2019. In addition, we welcome your opinion. Let us know what you think our organization should focus on getting accomplished in 2019.

**Christmas Family – Well Received**

Thank you to all who donated to this year's Burroughs Neighborhood Christmas Family. You helped brighten the Christmas of four ecstatic children, and a very appreciative parent.

## **BNO Random Acts of Kindness Campaign**

### **For the New Year!**

*Start your new year off with Kindness. Be intentional and set the tone for the entire year. Do something that is meaningful, helpful, and compassionate for someone else, and watch how it changes you as a person for the better. It was the week before Christmas 2018 when I witnessed something truly amazing - something I've seen only on TV. I was at the Post Office, and as people stood in the long line, I heard these ladies talking, "I'll do it if you do it?...Are you going to?...Come on." So they started to sing "Deck the Halls with..." Others joined in, and every face in the long line smiled. After the impromptu singalong amongst strangers, and laughter from many, I heard the ladies say "don't you feel better?" "Yes I do...we need this!" A simple act, helped those waiting in line be kinder and friendlier, and reduced the negative impact of "waiting."*

### **Winter Weather Policy**
